The route involves four legs (eight if roundtrip). Do as many or as few as you like, but try to end up at Bennett Bay again:

- Bennett Bay to Seaview Landing (kids' route)
- Seaview Landing to Potato Point (Steward Drive ramp)
- Potato Point to green dock on north Horton Bay (optional hot-tub plunge there)
- North Horton Bay green dock to Horton Bay dock

Volunteers and shuttle drivers allow you to take out at any of the above locations, but we prefer you plan to end up back at Bennett Bay. Lifejackets mandatory. "Fastest paddler" winner must have completed all eight legs. (None of the other awards have this requirement.) Children 12 and under must be accompanied on the water by an adult.
